Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style on aged, yellowed paper. The script is arranged in approximately 10 horizontal lines across the page. The text is difficult to decipher due to the cursive nature of the script and the fading of the ink. The document appears to be a single page from a larger volume, with a small hole visible near the center.

[Faint handwritten notes or bleed-through from the reverse side of the page.]
